MADE IN OUR OWN UK MILL

Product Description

Rowen Barbary EquiDerm Restore is a specialist equine supplement designed to support skin and lymphatic health, particularly in horses affected by Mallenders, Sallenders, and Chronic Progressive Lymphedema (CPL). This carefully formulated blend provides 11 essential vitamins, 5 trace elements, and 4 major minerals, ensuring a balanced diet that promotes overall well-being and coat condition.

To further aid lymphatic function, it contains Marigold and Cleavers, natural botanicals known for their supportive effects on circulation and skin health. Additionally, high-quality Turmeric is included for its anti-inflammatory properties, helping to maintain comfort and mobility.

EquiDerm Restore is biotin-free, making it suitable for horses that require a biotin-sensitive diet.

For horses with dietary restrictions, this supplement is free from cereals, molasses, alfalfa and soya making it an ideal choice for those with metabolic concerns or digestive sensitivities. With its palatable and easy-to-feed formula, EquiDerm Restore offers a targeted nutritional solution, helping horses maintain healthy skin, a strong lymphatic system, and optimal vitality.
