Product Description

Containing a blend of high quality ingredients Rowen Barbary Leisure Plus is the ultimate high fibre feed for horses and ponies in light to moderate work.

Low energy levels are obtained through a balance of highly digestible fibre sources and cooked flaked cereals, ideal for horses and ponies requiring a non-heating diet. Combining Linseed and Soya Oil Rowen Barbary Leisure Plus helps to provide a source of slow release energy for stamina and will help ensure excellent overall skin and coat condition.

To help ensure good gut health Leisure Plus also contains Calcareous Marine Algae designed to act as a buffer to help reduce acidity.

Natural herbs Chamomile Flower, Spearmint and Nettle are included to help promote overall health and well being with dehydrated Carrots also added to help create an extremely appetizing feed that is equally delicious fed dry or soaked.

Leisure Plus is well balanced in essential vitamins, minerals and trace element to help keep your horse in peak condition.
