MADE IN  
OUR OWN  
UK MILL

**Product Description**

A fully balanced mash suitable for horses requiring a high fibre, low energy diet.

Rowen Barbary ReadyMash provides all the essential vitamins, minerals and trace elements required for overall health and vitality whilst helping keep energy levels to a minimum and is suitable for feeding horses & ponies at all ages and activity levels.

The high fibre content helps to encourage slow rates of digestion throughout the hind gut providing an excellent source of slow release energy from the structured fibre. This is particularly valuable for horses requiring a diet that is sympathetic on the digestive system. The super fibres also have an excellent water holding capacity to help improve fluid intake.

Fully balanced in essential vitamins, minerals and trace elements and with a touch of Soya Oil for skin and coat condition Rowen Barbary ReadyMash will help support overall health and vitality, providing all the daily nutrients your horse needs.

**Soaking Guide:** Soak for 5 minutes with a minimum of equal volumes of dry feed and water or to your preferred consistency.

1 level round scoop = 1.15kg of feed approx

**Analytical Constituents**

|                   |             |
